

Aliza Hamid from BS Computational Finance (final year) NEDUET, Karachi applied online as a video game designer in Mindstorm Studios summer fellowship program. In Rookie Game Jam all teams are required to develop a hyper-casual mobile game and the theme was "Nostalgia" her team Gaming Rooks developed a game on famous cartoon series "Courage the Cowardly Dog Show". Through the efforts her team was able to develop a complete hyper-casual mobile game named "Courage and the Haunted House".

On 20th October she along with her team was invited to the Rookie Game Jam Prize Distribution Ceremony at Faletti's Hotel Lahore and out of 94 teams/games her team "Gaming Rooks" won first place with their game "Courage and the Haunted House" in Pakistan's largest game jam "Rookie Game Jam".
