

## CFA Research Challenge – Pakistan Finalist

### Event Detail

The CFA Institute Research Challenge is an annual, global competition that provides university students with hands-on mentoring and intensive training in financial analysis. Students work in teams to research and analyze a publicly traded company and then write a research report on their assigned company with a buy, sell, or hold recommendation.

Final Year students of Bachelors of Computational Finance registered for the competition, in total 26 teams were registered from all over Pakistan - including Top business schools IBA, KSBL, IoBM, Iqra University, Szabist and many more from Pakistan were registered.

Our students have made it to Pakistan Final Round, having in total of 5 teams - One team of NED University, two teams are of IBA, one team of IoBM and one team of KSBL.
