TENTATIVE SCHEDULE OF FALL SEMESTER 2024 EXAMINATION

Timing 14:00 to 17:00 hrs

S. No.	Date	Day	Course Code	Course Title
1	04-12-2024	Wednesday	MT- 601	Advanced Non-Newtonian Fluid Mechanics
			MT-617	Advanced Numerical Methods for Partial Differential Equations
			MT-604	Neural Computing
2	10-12-2024	Tuesday	MT-602	Non-Linear Differential Equations
			MT-620	Advanced Fluid Mechanics
			MT-605	Discrete Structure and Graph Theory
3	13-12-2024	Friday	MT-612	Applied Numerical Methods
			MT-624	Heat Transfer in Fluid Flow
			MT-610	Research Methodology

Note: Above examination schedule is tentative. If any correction is required then it can be done by **30th October, 2024**. After, this date no change is allowed in the above schedule and it will be forwarded to the examination department for official notification. For any correction, contact PGC (Mathematics).
