As per the directives of Vice Chancellor, the Objective Y2k25 and onwards will be the targets of the Strategic Plan 2025-2029. The targets for the year 2029 have already been input in the Strategic Management MIS by your esteemed offices, whereas the annual targets for the year 2025 (Objective Y2k25) are required. Therefore, it is requested to kindly input the same targets (January 2025 to December 2025) using the attached excel template. In a few days, the MIS will be ready to input the 2025 target value, and QEC will request you to input the same in the MIS.
